

Dobrá Niva Slovakia 2018

Activities

"I really enjoyed the activities, especially netball and dodge ball. It was nice to do something else, besides only teaching. I felt that the students got to know us better and it created a good rapport."

Lessons

"Amazing students and great to work with young people with so much enthusiasm."

The Tourist Fair

Closing ceremony

"An image I won't forget seeing is two of the students, who had come to wave us off at the train station, running down the platform after the train."

Final farewells

Hosts

“The families organised a party for us, which was a lot of fun, and a really nice way to round off the whole experience. It showed how much friendships had evolved over the 2 weeks.”

“I had an amazing time with the families and bonded with them so much that I hope to return in the winter.”

“I can’t stress how amazing all the families were and how willing they were to show us around the area.”

Excursions

“The people who took us on excursions made the time memorable. It was great to meet so many people in such a short space of time.”

Bratislava

"I don't really have many negative things to say about the trust this year. As I was in Israel last year I would say that this year was an improvement, even though Israel was amazing, Slovakia was even better."

“I really enjoyed the English course. I improved my English, learnt new words, (for example what to say in the restaurant and in the shops). In the afternoon, we had amazing sports activities!”
– Nina Kubasova (Student)

“I would like to thank you again for the Summer English course at Základná škola in Dobrá Niva. Everything was really well organised and of a high standard. My son, Maxim Samčuk went every morning happily to your summer school and really enjoyed it. Thank you again and I wish you all the best in your work and personal life.”

- Ruslana Samčukova (Parent)

“ I would like to say a huge thank you to the Elac Trust for this great opportunity you gave to pupils in Dobrá Niva to learn English in a different way (in a more fun and more interactive way than they are used to I have to say!) It was great to watch kids (who are usually quiet in the class during the school year) coming out of their shells and enjoying learning English so much! :)” - Zuzana Neil (Organiser)
