Elac Study Vacations Mayfield – Centre Guide

Welcome to Mayfield

Mayfield is a village in East Sussex just nine miles south of Tunbridge Wells and approximately half way between London and the south coast. It has a charming, traditional High Street with a mixture of half-timbered buildings and Sussex tiled cottages. Today's village of Mayfield is a perfect example of a traditional English village making it a perfect location for our younger students and for those who want to discover the "real" England.

Mayfield School

Mayfield School, is a delightfully traditional English school, built largely in local stone and enjoying the most wonderful location and facilities.

The school offers excellent educational and sporting facilities. Classrooms are spacious and well equipped, and the dining hall offers varied menus in a fantastic eating environment.

There is also a fantastic new common room area for the students with sofas for relaxing, a café which sells food and drink, and a projector for watching films.

Sports facilities include an indoor heated swimming pool, and a large sports hall/gymnasium. There are also tennis courts (all-weather), as well as grass fields and astroturf for football, hockey, volleyball and a variety of other activities.

Accommodation

Accommodation is in several houses. They are called St. Dunstan, Our Lady, Becket, St. Joseph, Leeds and Connelly. Bedrooms are a combination of singles and twins, triples and some larger shared rooms with individual cubicles. Only a few of the bedrooms have keys so valuables must be given to the Centre Manager who will ensure their safe keeping.

Bed linen is provided and changed once a week. Students are responsible for keeping their bedrooms tidy and making their own beds. Bedrooms are serviced daily by the school cleaning staff. Some accommodation has disabled access.

Student Welfare and Medical Care

All our staff are employed using stringent recruitment methods and receive training regarding student welfare and child protection. Furthermore our teachers are fully briefed to notice if a student is not performing well in class, or appears unhappy. They will report such occurrences immediately to the Welfare Officer, who can then investigate and take the appropriate action. We maintain a good supervision ratio of staff to students, both during activities on-site and excursions off-site.

We keep a record of all student's medical conditions and requirements, so all staff are aware of specific conditions, e.g. food allergies.

If a student becomes unwell, we will arrange to take them to a local doctor. The doctor's practice is located in Mayfield, close to the school. The campus has first aiders on site, but for accidents and emergencies students are taken to Tunbridge Wells Hospital, which is capable of dealing with any incident, large or small. A First Aid box is kept in the Elac office and basic kits are taken on all excursions. At least one member of the Elac team will be trained in First Aid and will be on-call throughout the day when the students are in English classes or participating in activities Any injuries/accidents should always be reported to the Elac Office. For further information on our Welfare Policy, please see our "Guide to Elac Courses".

Academic Programme

Students receive 3 hours of English tuition divided over 3 lessons in the morning or afternoon, five days a week; a total of 15 hours per week. There is a balance between language and skills development in mixed nationality classes, with a maximum of 15 students to a class. Students use an Elac workbook which also acts as a record of the student's stay. For more information about Elac's academic programme, please see "Guide to Elac Courses".

Trinity Examination

For students who wish will be prepared and entered for the Trinity Examination at the appropriate level we have to decide quickly the most appropriate level so any prior input from Group Leaders regarding students' grades would be invaluable and much appreciated.

Preparation for the exam takes place in three additional sessions organised in the afternoons or evenings immediately prior to the exam.

There is an additional charge for entering the exam.

For your information, the exam is offered at 12 Grades. These are as follows:

Initial Stage: Grade 1; Grade 2; Grade 3.

Elementary Stage: Grade 4; Grade 5; Grade 6.

Intermediate: Grade 7; Grade 8; Grade 9.

Advanced: Grade 10; Grade 11; Grade 12.

It is envisaged that the majority of our students will be entered across grades 3 to 8.

Activity Programme

We believe that improving students' English doesn't just happen in the classroom. Our sports and activity programme during the day and in the evening gives students' opportunities to enjoy a variety of sports and activities and practice their English in mixed nationality groups.

Sports

Mayfield School has very good sports facilities and we have access to everything. There is an indoor swimming pool, a large gymnasium/sports hall, all-weather tennis courts, and five-a-side football pitches. There are also facilities for volleyball and we have access to the grass fields and the extensive grounds for other activities. Students will have the opportunity to take part in a wide range of sporting activities which involve inter-group competitions as well as individual competitions. Trophies and prizes are awarded at the end of the course for the winners.

Activities

Arts and Crafts: These include designing t-shirts and bags, making key rings, book marks, collages, etc.

Aerobics: A very popular activity with girls, but boys are welcome, too!

Dance: For those students who are interested in dance, we will offer a dance class as required.

Drama: A great way for students to practise their English, make friends and prepare for the Talent Show.

Treasure and Photo Hunts: Mixed-nationality groups working together, following clues and hoping to be the first to complete the challenge!

Special Interest Groups: Elac always makes a special effort to cater for any special interests that our students may have. We cannot always guarantee these, but if any students are especially interested in an alternative activity, please tell us and perhaps we can organise a workshop or other suitable event.

Music Workshop: An opportunity for students to participate in sessions focusing on different aspects of music, such as rhythm, drumming or dance.

Evening Programme

There will be a wide range of evening activities to give the students the opportunity to have fun and make friends. These will include:

Discos: All these will be on campus. A full disco with light show will operate and the disco will be open to all students.

Cinema: Students will be able to see new and classic films on a huge screen on-campus... in English, of course!

Sports/Activities: On certain evenings we will hold more sports competitions, “Fun Olympics” as well as other activities like treasure trails. Details will be clearly posted on notice boards.

Talent Show: This is self explanatory and all students are invited to “show everyone their talents”.

Quiz Nights: These involve international questions although some parts designed to improve the students’ cultural knowledge of Britain. It is organised in teams and there are prizes for the winners.

Karaoke: You don’t have to be the greatest singer in the world to have a go, but you may be!

Murder Mystery Night: There’s been a murder – students must interview some interesting characters to solve the mystery.

“Casino Royale”: A fun night with roulette, playing cards, etc.

Club International

This is a young person’s club where there will be music, games and a tuck shop and other amusements. It is designed as a meeting place for our students to relax, come together and make friends.

Our Excursions

London

During your stay at Mayfield you will have the opportunity to visit London. Our excursion to London will begin with a walking tour of the city – the best way to see all the world-famous landmarks. Whether this is your first visit or not, we're sure that you will want to have a chance to see Buckingham Palace, The Houses of Parliament, Westminster Abbey, Trafalgar Square and much more. At the end of the sightseeing tour, you will have some free time in Oxford Street (or another location your group has chosen) to visit some shops and buy souvenirs.

If you want to do something different with your afternoon, London has something for everyone. Here are some alternative activities we can help you arrange:

- Natural History Museum
 - Science Museum
 - London Eye*
 - The Shard*
 - Covent Garden
 - British Museum
 - National Gallery
 - London Aquarium*
 - Camden Market
- (*additional costs)

Brighton

Brighton is a famous seaside resort city in East Sussex. It has grown considerably over the last 20 years. It has lots of attractions, including an extensive beach and seafront, the pier, and excellent shopping around 'the Lanes'. It is also home to the famous Brighton Pavilion, which you will have an opportunity to visit.

We travel there by train and the itinerary involves a tour of the principle attractions and a visit to the Sealife Centre. If the weather is fine there will be some free time for you to spend relaxing or playing games on the beach, or visiting the shopping area.

Canterbury

Canterbury's skyline is dominated by the stunning Cathedral, the oldest in England. Our visit includes a tour of this beautiful building.

Canterbury is also a modern and vibrant city with some great shopping. The King's Mile has an atmosphere all of its own while the city's St Dunstan's, West Gate Towers and Northgate areas have a range of specialist and individual outlets.

Travelling on foot is always a good way to explore the city. Walking trails or guided walks will help you make the most of your time here and to enjoy the winding lanes and streets, all with their own unique identity.
