ST ANDREW'S SCHOOL CENTRE GUIDE

Eastbourne is renowned for being one of the most attractive seaside towns in the whole of England. Located at the foot of the South Downs National Park, Eastbourne enjoys more sunshine hours than anywhere else in Britain. Indeed, as you enter Eastbourne you will be greeted by the sign “Welcome to Eastbourne, the Sunshine Coast”.

Eastbourne plays host to a wide variety of visitors during the summer months. As a centre for EFL it is quite superb with many things for young people to do and see. There are great sports facilities, a wonderful seafront and excellent leisure attractions. The town recognises the value of overseas students to its economy and as a result ensures that the necessary infrastructure is in place to support them during their stay. This makes Eastbourne one of the best centres for EFL throughout the whole of Britain, both in the summer and at other times of the year.

Some of the main attractions that you can find in Eastbourne are:

- A recently modernised shopping centre and local small shops
- First class sports and leisure facilities, including lively discos and three theatres.
- An extensive leisure marina with its own waterside walks, shops and restaurants
- Modern cinemas with the most recent films
- One of the finest seafront promenades in the whole of England
- National Parklands (The South Downs) within 1 km of the town and including the famous Beachy Head cliffs
- Half-hourly direct train service to central London (90 minutes)
- The historic town of Brighton (40 minutes)

ELAC STUDY VACATIONS

Elac Study Vacations was formed in 1991 with one centre in Eastbourne. We now have multiple summer centres and one year round-centre in Bath, which is also our head office.

We currently welcome over 4,000 students from all over the world to our courses. Despite this growth, we still retain the values and ethos that characterized Elac from the beginning: to run quality courses that are attractive to staff, students and partners and where the welfare of all is our main priority.

More information on Elac can be found on our website, www.elac.co.uk.

MISSION STATEMENT

Our goal is to be an independent, ethical and environmentally-aware organisation dedicated to the teaching of English, and more generally to the nurturing of positive values in young people in an international setting.

To achieve this goal, we aim to provide a secure, welcoming, inclusive and fun environment where students can feel at ease with each other and our staff, whilst on a course which they find both stimulating and challenging.

We believe that this will provide the platform we need to deliver the following outcomes for our students:

- A development of their language skills & confidence
- A deepening of their knowledge & understanding of British life & culture
- A broadening of their outlook on the world & awareness of other perspectives
- New, wide-ranging & long-lasting friendships that cross cultures

ST ANDREW'S SCHOOL LOCATION

St Andrew's School is a spacious, secure and attractive site close to the seafront in a peaceful residential area. The buildings are a mixture of traditional and modern styles, with light, airy classrooms and good IT provision. Students can gather in the large gym and assembly hall for different activities.

The school is a short bus ride from the town centre, or a 20 minute walk along the seafront to the main shopping area. Private coach transport is provided to take students to and from their homestay provider.

MEDICAL CARE

All our staff are employed using stringent recruitment methods and receive training regarding student welfare and child protection. Our staff are fully briefed to notice if a student is unhappy and they will report this to the Welfare Officer and Group Leader, who can then investigate and take the appropriate action.

We keep a record of all student's medical conditions and requirements, so all staff are aware of specific conditions, e.g. food allergies.

If a student becomes unwell, we will arrange to take them to a local medical walk-in centre, 10 minutes from the campus. The campus has first aiders on site, but for accidents and emergencies, Eastbourne and District General Hospital is nearby. This is a large hospital that is capable of dealing with any incident, large or small.

STUDENT WELFARE

All our staff are employed using safer recruitment methods and receive training regarding student welfare and child protection and are aware of the Elac safeguarding policy. If they notice a student is experiencing any problems, they will liaise with the Welfare Officer and Group Leader, who can then investigate and take the appropriate action.

We also have a legal duty to identify and safeguard children who may be vulnerable to radicalization (the Prevent duty). We maintain a good supervision ratio of staff to students, both during activities on-site and excursions off-site.

All Elac staff, group leaders and students sign a code of conduct which indicates the kind of behaviour we wish to promote. It clearly sets out the process for dealing with unacceptable behaviour. Information can be downloaded from the following link -

<http://elac.co.uk/downloadable-information/>

There are three roll calls daily: at the start of lessons, at the start of activities, and in the accommodation in the evening.

ACCOMMODATION

Accommodation at St Andrew's is provided by our dedicated hosts. All students stay with a host and travel to and from the campus via a private coach. Elac staff are on-board the coach for safety, and to ensure students know where they are going.

St Andrew's School Campus

FIRST AID

A First Aid box is kept in the Elac office and basic kits are taken on all excursions. The Elac team have numerous First Aiders. They will be available throughout the day. Any injuries/accidents should always be reported to the Elac Office.

HOMESTAY ACCOMMODATION

Elac hosts are chosen with great care by our Homestay co-ordinators, who visit every host to get to know them and to inspect the accommodation provided.

It is essential that all our hosts provide a warm welcoming atmosphere for our students where they can really feel at home. Hosts also have to comply with British Council standards, and have a current DBS Certificate (Disclosure and Barring Service).

Students can expect a comfortable bedroom with somewhere to study and shared bathroom facilities.

Breakfast and an evening meal are served daily, and a packed lunch is provided for excursions. They will often be sharing with other students and will travel by private coach to the centre.

Most importantly, students are encouraged to speak English at every opportunity within the homestay setting.

SECURITY

The UK is seen as a safe place to visit and Eastbourne is a safe location. On arrival students are provided with information to keep themselves and their possessions safe, and are issued with an emergency contact card if they have any issues. There is a security team on site 24/7 and CCTV monitoring. The Elac Office has a safe available for Group Leaders and students.

THE ELAC EXPERIENCE

We aim to deliver a rich and varied experience: a blend of language learning, cultural highlights, personal development and fun. Each centre has its own particular style, but there are common features and a shared ethos across all our centres.

The combination of lessons, activities, social events and excursions makes up the Elac Experience, led by a committed team of staff, many of whom have chosen to work for Elac summer after summer.

ACADEMIC PROGRAMME

Students receive 3 hours 20 minutes of English tuition divided over 3 lessons in the morning or afternoon, four or five days a week; a total of 15 hours per week. Classes have mixed nationality classes, with a maximum of 16 students. Students follow a core curriculum which aims to develop speaking and fluency, through activities such as excursion-linked lessons, communication games and drama. At St Andrew's there are two pathways aimed at different ages and abilities:

Enrich - Young teenagers at A2 - B1 level build on and enrich their language competence through activities such as creative projects, functional English and presentations.

Empower - Older teenagers at B2 - C1 level stretch their language skills through public speaking, critical thinking, leadership and team building. Students may use an Elac workbook which also acts as a record of the student's stay.

We require our teachers to have a degree plus a TEFL certificate, for example, CELTA or Trinity Cert. TESOL. Our teaching team are responsible for planning and delivering communicative lessons which enable students to use and develop their English in an international classroom. Teachers are supervised by an Academic Manager who provides academic support and ensures the programme is delivered to the highest possible standard. We also pride ourselves in our teacher development programme of workshops and lesson observations provided throughout the summer.

TRINITY EXAMINATION & TRINITY STARS PERFORMANCE

Students have the option to be prepared and entered for the Trinity GESE at the appropriate level. This takes place during three additional sessions organised in the afternoons or evenings prior to the exam. There is an additional charge for entering the exam (please see our website).

The exam is offered at 12 Grades. These are as follows:

Initial Stage:	Grade 1 - 3
Elementary Stage:	Grade 4 - 6
Intermediate:	Grade 7 - 9
Advanced:	Grade 10 - 12

It is envisaged that the majority of our students will be entered across grades 3 - 8.

Younger students may have the opportunity to participate in a Trinity Stars Performance. There is an additional charge for this (please see our website).

ACTIVITY PROGRAMME

We believe that improving students' English doesn't just happen in the classroom. Our sports and activity programme during the day and in the evening gives students' opportunities to enjoy a variety of sports and activities and practice their English in mixed nationality groups.

Swimming Pool

The "Core Activities" organises students into small multi-national groups who do some activities together during the course. The carousel helps students gain confidence and fluency with their English as well as encouraging them to interact with more students of different nationalities.

GROUP LEADERS

Working closely with Group Leaders is essential, as they know their students, their culture and their language. This happens through regular meetings when information is shared and issues can be raised.

Prior to the Welcome Meeting on the first day of the course, where the Elac Management Team share information with Group Leaders regarding all aspects of the course. Group Leaders will be given a Welcome Pack complete with information for helping both students and Group Leaders settle into the programme.

We also want Group Leaders to enjoy their time with Elac and have an opportunity to meet other leaders. Events are organized, such as visits to places of local interest, teacher development sessions, cream teas, or a cheese and wine evening.

Elac has a dedicated office and its location will be given out when students arrive. There is also a Group Leaders room on-site where Group Leaders can relax and have access to tea and coffee.

ADVICE FOR A HAPPY STAY WITH A HOST

Your host is looking forward to your visit, and wants to give you an enjoyable experience. Here are some useful things to remember, that will help you have an enjoyable stay as well.

Every home has its own rules and some of your host's rules may be different to yours. If you don't understand anything, please ask! Your host will be happy to explain anything to you. It may be the practice in the home for the children to help out with jobs, like clearing the table. It is good if you can take part in this way too; however, if you have concerns over what you are being asked to do, then don't be afraid to speak with your Group Leader or the Centre Manager.

You may feel homesick. This is normal. If you do feel homesick or anxious, talk to your host or your Group Leader. If you are feeling ill, let your host know. They can arrange for you to visit a local doctor, or to stay at home for a while.

Please treat your host with respect, showing politeness and letting them know what your plans are, eg. if you are going to be late back one evening and don't require a meal. It is a good idea to exchange mobile telephone numbers, and remember to keep it charged! If you do come back late, please remember to be quiet as some family members may be asleep. Please keep to your curfew times.

At mealtimes, you will be expected to try different food. This is part of the experience of staying with a host. If there is anything you cannot eat, or if you would like some more food, please explain this to the host.

Please look after your valuables and don't leave money around – it is best to give them to the Group Leader to look after, rather than leave them in your room.

It is important to remember that all hosts and their homes are different. Some have bigger houses than others. Some have tidier homes. Some have modern furniture and technology and others have more basic homes. However, they are all kind, friendly and hospitable hosts who will aim to make you feel welcome.

Please spend as much time with them as you can. Be proactive and ask them questions! Get to know them! You will learn English customs and your English will improve! Hopefully you will make some very good English friends too.

HOMESTAY FACILITIES

When using the bathroom, remember that other people will also want to use it, so don't waste hot water, and don't flush anything unsuitable down the toilet.

Try to keep your room tidy: put litter in the bin, make your bed, put your clothes away. Please don't eat food in the bedroom, smoke, or light candles. Be careful with nail varnish, nail glue and hair dye, and don't leave hair straighteners on, or rest them on furniture. Also, don't jump on the beds! Treat it like your own.

Your host will do your laundry for you once a week, so ask them when this will happen, and where to put your clothes.

Some hosts will give you a key. It is very important that you look after this, and remember to return it at the end of your stay. Also, please check you have all your belongings with you when you leave.

Please also treat your host's property with respect, and let them know if something gets damaged. You may be asked to pay for any repairs or replacements. Remember to ask permission to use the telephone, computer, etc.

INDIVIDUAL STUDENTS

Individual students receive a warm welcome at all of our centres. This is a great way for them to really immerse themselves in the English language and make new friends. Students who travel independently often require a certain level of maturity, so the age range is slightly different to the group age: 14 is the minimum age we can accept. The maximum age is 17.

Individual students have a designated staff member to ensure their stay is a success. They will meet with them regularly to ensure they have all the information they need about the programme, activities and excursions, and to offer them support if they experience any issues.

ENROLMENT PROCESS FOR INDIVIDUALS

When an enquiry is received, our head office will check availability and offer advice as to the best course for the individual student. This may depend on the student's age, interests and nationality. We can also organise visa invitation letters if necessary and suggest different travel options.

The next stage is that the student (or their parent) receives an enrolment form, where we request parent's details, level of English, confirm dates etc. This form contains terms and conditions explaining when and how to pay.

ONCE ENROLLED

The student will receive confirmation and also further information on the course, plus Elac's code of conduct and advice on staying with a host (if necessary).

Two weeks before the course begins, the full amount for the course is paid. At this stage, we will double-check we have a student's travel details, mobile phone details, and organise a personal meeting service if required.

The student also receives a letter of authorisation enabling them to travel as a minor abroad. If staying with a host, they will also receive a host profile and information for their first day on the course.

THINGS TO CONSIDER

Travel to the centre is not included, but as mentioned above, Elac can organise a personal meeting service: someone to meet or drop the student at the airport. As an unaccompanied minor, we can provide details in advance of who is collecting the student and will ensure they are taken to the desk on departure.
