SPECIALIST SHORT COURSES VIRTUAL LEARNING PROGRAMME

The Elac team has experience and expertise in designing specialist short courses for clients. We have created a wide range of interactive and engaging material to challenge our students, helping them to improve their English and achieve personal goals.

In addition to delivering our core programmes, we are always excited to work with clients to produce new bespoke virtual courses. If you are looking for a virtual course with a specific focus, get in touch and let us know what you need.

Key Features:

- Elac material specifically designed for the online environment and to meet your needs
- Flexible course duration and delivery
- Lesson time to suit your location
- Group sizes to suit your needs (1:1 to 12+)
- Communicative and interactive lessons
- Variety of lesson and activity formats
- Pair work in breakout rooms
- Qualified teachers with online experience

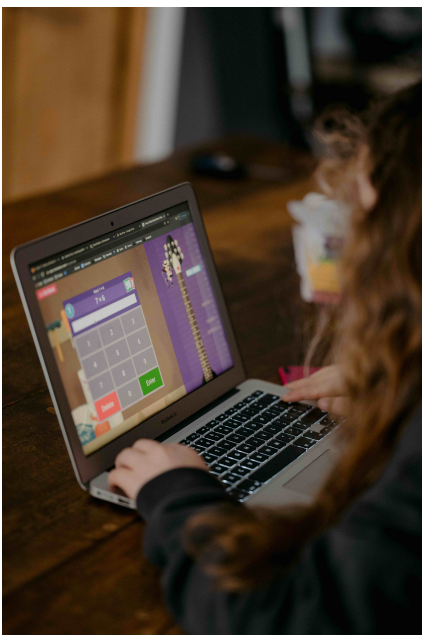

Examples programmes we have recently delivered:

- British Culture & Tourism
- Business Innovation & Careers
- CLIL (Content and Integrated Learning)
- Critical Thinking
- Communication Skills
- Developing Creativity
- English for Specific Purposes
- IELTS Exam Preparation
- Media & Social Media
- Public Speaking
- STEM Projects
- Teacher Training

Included in all our virtual learning programmes are all online tuition with experienced and qualified teachers and instructors, all necessary learning material, and an end of course certificate.

Below is a sample programme of the Business Innovation module we have delivered. The module is made up of 15 one-hour sessions.

For more information, prices, or to sign up to an Elac course email info@elac.co.uk or call +44 1225 443261.
