

Mayfield Centre – Factsheet

Mayfield is a perfect example of an English village community. Local shops and houses make up the charming High Street. The local villagers are warm and welcoming and it is the perfect place for younger students to follow a course.

The school facilities are fantastic with well-equipped classrooms, which are light and spacious, and a magnificent dining hall. The sports facilities are some of the best you will find, with a modern indoor heated swimming pool, newly built sports hall and extensive grass and all-weather playing surfaces.
