ARDINGLY COLLEGE CENTRE GUIDE

Ardingly College was founded in 1858 and was built in red brick in the Victorian Gothic style. It is a mixture of old and modern, with spacious classrooms, dining hall, drama studio, and performance spaces. It is a traditional independent school set in 250 acres of grounds, so sports facilities are extensive. There is an indoor heated pool, two sports halls, a gym, 10 grass football pitches, 6 hard tennis courts and two full size astro fields.

The centre is close to Haywards Heath, in an Area of Outstanding Natural Beauty. It is located 40 miles from central London and 18 miles from Brighton, on the South Coast. Haywards Heath is a small, busy town, with many shops, restaurants and a train service to London.

ELAC STUDY VACATIONS

Elac Study Vacations was formed in 1991 with one centre in Eastbourne. We now have multiple summer centres and one year round-centre in Bath, which is also our head office.

We currently welcome over 4,000 students from all over the world to our courses. Despite this growth, we still retain the values and ethos that characterized Elac from the beginning: to run quality courses that are attractive to staff, students and partners and where the welfare of all is our main priority.

More information on Elac can be found on our website, www.elac.co.uk.

MISSION STATEMENT

Our goal is to be an independent, ethical and environmentally-aware organisation dedicated to the teaching of English, and more generally to the nurturing of positive values in young people in an international setting.

To achieve this goal, we aim to provide a secure, welcoming, inclusive and fun environment where students can feel at ease with each other and our staff, whilst on a course which they find both stimulating and challenging.

We believe that this will provide the platform we need to deliver the following outcomes for our students:

- A development of their language skills and confidence
- A deepening of their knowledge and understanding of British life and culture
- A broadening of their outlook on the world and awareness of other perspectives
- New, wide-ranging and long-lasting friendships that cross cultures

ACCOMMODATION AND LAYOUT

Accommodation is in 9 boarding houses around the campus. Single, double and triple rooms, with both shared and en-suite bathrooms are available. All houses have a communal area with kitchen, sofas and TV. Bedrooms are cleaned weekly.

Disabled access is possible in Godwin Hall which has two disabled access rooms. Elsewhere on the campus, disabled access is limited.

The accommodation is all on the same campus and is within walking distance of all facilities.

MEDICAL CARE

We keep a record of student's medical conditions and requirements, so relevant staff are aware of specific conditions, e.g. food allergies and disabilities. Please inform us of any medical conditions on enrolment.

If a student becomes unwell, they can be taken to a local doctor's practice (Newton's Surgery), located in Ardingly. For accidents and emergencies student are taken to Princess Royal Hospital, five miles away. There is also a walk-in centre in Crawley and East Grinstead. Students will need to take their ID and any medical insurance documents (or EHIC card if from Europe) with them.

A First Aid box is kept in the Elac office and basic kits are taken on all excursions. The ELAC team have numerous First Aiders. They will be available throughout the day. Any injuries/accidents should always be reported to the Elac Office.

STUDENT WELFARE

All our staff are employed using safer recruitment methods and receive training regarding student welfare and child protection and are aware of the Elac safeguarding policy. If they notice a student is experiencing any problems, they will liaise with the Welfare Officer and Group Leader, who can then investigate and take the appropriate action.

We also have a legal duty to identify and safeguard children who may be vulnerable to radicalization (the Prevent duty). We maintain a good supervision ratio of staff to students, both during activities on-site and excursions off-site.

All Elac staff, group leaders and students sign a code of conduct which indicates the kind of behaviour we wish to promote. It clearly sets out the process for dealing with unacceptable behaviour. Information can be downloaded from the following link -

<http://elac.co.uk/downloadable-information/>

There are three roll calls daily: at the start of lessons, at the start of activities, and in the accommodation in the evening.

SECURITY

The UK is a safe place and Ardingly is a safe location. There is a security team on site 24/7 and CCTV monitoring. The Elac Office has a safe available for Group Leaders and individual students. Accommodation is accessed by swipe cards or fobs. Students must lock all windows and doors on leaving the accommodation and follow security procedures explained on arrival.

THE ELAC EXPERIENCE

We aim to deliver a rich and varied experience: a blend of language learning, cultural highlights, personal development and fun. Each centre has its own particular style, but there are common features and a shared ethos across all our centres.

The combination of lessons, activities, social events and excursions makes up the Elac Experience, led by a committed team of staff, many of whom have chosen to work for Elac summer after summer.

ACADEMIC PROGRAMME INCLUDING CURRICULUM 30

Elac has developed a new, unique syllabus focussing on current educational trends. Titled "Curriculum 30", this will be launched in Prior Park College and Ardingly College in 2022. Students will work on a series of short projects, appropriate to their age and ability, covering the following:

- STEM topics (science, technology, engineering, mathematics)
- Environmental awareness
- Model United Nations roleplays
- Sustainable development goals

These stimulating projects provide students with opportunities to practise key listening and speaking skills, whilst also bringing a wider educational vision into the classroom.

At Ardingly there are two pathways aimed at different ages and abilities:

Enrich - Young teenagers at A2 - B1 level build on and enrich their language competence through activities such as creative projects, functional English and presentations.

Empower - Older teenagers at B2 - C1 level stretch their language skills through public speaking, critical thinking, leadership and team building. Students may use an Elac workbook which also acts as a record of the student's stay.

TRINITY EXAMINATION

Students have the option to be prepared and entered for the Trinity GESE at the appropriate level. This takes place during three additional sessions organised in the afternoons or evenings prior to the exam. There is an additional charge for entering the exam (please see our website).

The exam is offered at 12 Grades. These are as follows:

Initial Stage:	Grade 1 - 3
Elementary Stage:	Grade 4 - 6
Intermediate:	Grade 7 - 9
Advanced:	Grade 10 - 12

It is envisaged that the majority of our students will be entered across grades 3 - 8.

TEACHERS

We require our teachers to have a degree plus a TEFL certificate, for example, CELTA or Trinity Cert. TESOL. Our teaching team are responsible for planning and delivering communicative lessons which enable students to use and develop their English in an international classroom.

Teachers are supervised by an Academic Manager who provides academic support and ensures the programme is delivered to the highest possible standard. We also pride ourselves in our teacher development programme of workshops and lesson observations provided throughout the summer.

ACTIVITY PROGRAMME

We believe that improving students' English doesn't just happen in the classroom. Our sports and activity programme during the day and in the evening gives students' opportunities to enjoy a variety of sports and activities and practice their English in mixed nationality groups.

These can be found in the booklet, "Optional Excursions", which gives suggested itineraries and costs. If you would like to supplement your programme, please speak to the Head office, or the Activity Manager on arrival.

GROUP LEADERS

Working closely with Group Leaders is essential, as they know their students, their culture and their language. This happens through regular meetings when information is shared and issues can be raised.

Prior to the Welcome Meeting on the first day of the course, where the Elac Management Team share information with Group Leaders regarding all aspects of the course, Group Leaders will be given a Welcome Pack complete with information for helping both students and Group Leaders settle into the programme.

We also want Group Leaders to enjoy their time with Elac and have an opportunity to meet other leaders. Events are organized, such as visits to places of local interest, teacher development sessions, cream teas, or a cheese and wine evening

Elac has a dedicated office and its location will be given out when students arrive. There is also a Group Leaders room on-site where Group Leaders can relax and have access to tea and coffee.

INDIVIDUAL STUDENTS

Individual students receive a warm welcome at all of our centres. This is a great way for them to really immerse themselves in the English language and make new friends. Students who travel independently often require a certain level of maturity, so the age range is slightly different to the group age: 14 is the minimum age we can accept. The maximum age is 17.

Individual students have a designated staff member to ensure their stay is a success. They will meet with them regularly to ensure they have all the information they need about the programme, activities and excursions, and to offer them support if they experience any issues.

ENROLMENT PROCESS FOR INDIVIDUALS

When an enquiry is received, our head office will check availability and offer advice as to the best course for the individual student. This may depend on the student's age, interests and nationality. We can also organise visa invitation letters if necessary and suggest different travel options.

The next stage is that the student (or their parent) receives an enrolment form, where we request parent's details, level of English, confirm dates etc. This form contains terms and conditions explaining when and how to pay.

ONCE ENROLLED

The student will receive confirmation and also further information on the course, plus Elac's code of conduct and advice on staying with a host (if necessary).

Two weeks before the course begins, the full amount for the course is paid. At this stage, we will double-check we have a student's travel details, mobile phone details, and organise a personal meeting service if required.

The student also receives a letter of authorisation enabling them to travel as a minor abroad. If staying with a host, they will also receive a host profile and information for their first day on the course.

THINGS TO CONSIDER

Travel to the centre is not included, but as mentioned above, Elac can organise a personal meeting service: someone to meet or drop the student at the airport. As an unaccompanied minor, we can provide details in advance of who is collecting the student and will ensure they are taken to the desk on departure.
