BATH SPA UNIVERSITY CENTRE GUIDE

The city of Bath, a World Heritage Site, is one of the most fascinating cities in England. The city, which developed around its hot spring waters, is a remarkable blend of Roman, medieval and Georgian architecture, combined with a thriving shopping centre and excellent leisure facilities.

Bath offers one of the finest examples of a Roman Spa in Britain. It has some excellent shopping with small independents alongside larger stores. There are superb restaurants, cafes and coffee shops to spend some time in. Bath attracts excellent street entertainment as well as having two local cinemas, several theatres and many museums. The nearby leisure centre offers bowling, roller blading, swimming, trampolining and golf.

Bath's location is close to many great places of interest such as Bristol, Oxford, Stonehenge and Glastonbury. Bath also benefits from the fast train service to London every half hour.

ELAC STUDY VACATIONS

Elac Study Vacations was formed in 1991 with one centre in Eastbourne. We now have multiple summer centres and one year round-centre in Bath, which is also our head office.

We currently welcome over 4,000 students from all over the world to our courses. Despite this growth, we still retain the values and ethos that characterized Elac from the beginning: to run quality courses that are attractive to staff, students and partners and where the welfare of all is our main priority.

MISSION STATEMENT

Our goal is to be an independent, ethical and environmentally-aware organisation dedicated to the teaching of English, and more generally to the nurturing of positive values in young people in an international setting. To achieve this goal, we aim to provide a secure, welcoming, inclusive and fun environment where students can feel at ease with each other and our staff, whilst on a course which they find both stimulating and challenging.

We believe that this will provide the platform we need to deliver the following outcomes for our students:

- A development of their language skills & confidence
- A deepening of their knowledge & understanding of British life & culture
- A broadening of their outlook on the world & awareness of other perspectives
- New, wide-ranging & long-lasting friendships that cross cultures

BATH SPA LOCATION

Bath Spa University is a spacious campus just four miles outside Bath. Period and modern buildings blend together against a beautiful backdrop of fields, lake and woodlands, designed by well-known architect Capability Brown in the 18th century.

Modern facilities include state-of-the-art classrooms, ICT, and both indoor and outdoor spaces for drama, art and music, as well as sports fields. There are plenty of green areas for studying and relaxing.

Maple Accommodation at Bath Spa

WELLBEING AND MEDICAL CARE

The physical and mental health of our students and staff is a priority and we encourage students to talk to us if they are experiencing any problems. We keep a record of all student's medical conditions and requirements, so all staff are aware of specific conditions, e.g. food allergies.

If a student becomes unwell, we will arrange to take them to a local GP. The Royal United Hospital has an A and E department as well as general wards. Local pharmacies can also help with minor ailments.

A First Aid box is kept in the Elac office and basic kits are taken on all excursions. The ELAC team have numerous First Aiders. They will be available throughout the day. Any injuries/accidents should always be reported to the Elac Office.

RESIDENTIAL ACCOMMODATION

Residential accommodation is in purpose-built blocks, conveniently located close to the main study area. All rooms are single ensuite, with communal kitchens, common rooms & secure entry.

SAFEGUARDING/ WELFARE

All our staff are employed using safer recruitment methods and receive training regarding student welfare and child protection and are aware of the Elac safeguarding policy. If they notice a student is experiencing any problems, they will liaise with the Welfare Officer and Group Leader, who can then investigate and take the appropriate action. This is referred to head office and the Designated Safeguarding Lead if necessary.

We also have a legal duty to identify and safeguard children who may be vulnerable to radicalization (the Prevent duty).

We maintain a good supervision ratio of staff to students, both during activities on-site and educational excursions off-site.

All Elac staff, group leaders and students sign a code of conduct which indicates the kind of behaviour we wish to promote. It clearly sets out the process for dealing with unacceptable behaviour. Information can be downloaded from the following link -

<http://elac.co.uk/downloadable-information/>

There are three roll calls daily: at the start of lessons, at the start of activities, and in the accommodation in the evening.

The site and its surroundings were added to the UNESCO's list of World Heritage Sites. A visit to Stonehenge includes a guided tour of the site.

GROUP LEADERS

Working closely with Group Leaders is essential, as they know their students, their culture and their language. This happens through regular meetings when information is shared and issues can be raised.

Prior to the Welcome Meeting on the first day of the course, where the Elac Management Team share information with Group Leaders regarding all aspects of the course, Group Leaders will be given a Welcome Pack complete with information for helping both students and Group Leaders settle into the programme.

We also want Group Leaders to enjoy their time with Elac and have an opportunity to meet other leaders. Events are organized, such as visits to places of local interest, teacher development sessions, cream teas, or a cheese and wine evening

Elac has a dedicated office and its location will be given out when students arrive. There is also a Group Leaders room on-site where Group Leaders can relax and have access to tea and coffee.

SECURITY

The UK is seen as a safe place to visit and Bath is a safe location. However, we advise students to lock all windows and doors on leaving their accommodation building and follow security procedures explained by their Group Leader on arrival.

INDIVIDUAL STUDENTS

Individual students receive a warm welcome at all of our centres. This is a great way for them to really immerse themselves in the English language and make new friends. Students who travel independently often require a certain level of maturity, so the age range is slightly different to the group age: 14 is the minimum age we can accept. The maximum age is 17.

Individual students have a designated staff member to ensure their stay is a success. They will meet with them regularly to ensure they have all the information they need about the programme, activities and excursions, and to offer them support if they experience any issues.

ENROLMENT PROCESS FOR INDIVIDUALS

When an enquiry is received, our head office will check availability and offer advice as to the best course for the individual student. This may depend on the student's age, interests and nationality. We can also organise visa invitation letters if necessary and suggest different travel options.

The next stage is that the student (or their parent) receives a digital enrolment form, where we request parent's details, level of English, confirm dates etc. This form contains terms and conditions explaining when and how to pay.

ONCE ENROLLED

The student will receive confirmation and also further information on the course, plus Elac's code of conduct and advice on staying with a host (if necessary).

Two weeks before the course begins, the full amount for the course is paid. At this stage, we will double-check we have a student's travel details, mobile phone details, and organise a personal meeting service if required.

The student also receives a letter of authorisation enabling them to travel as a minor abroad. If staying with a host, they will also receive a host profile and information for their first day on the course.

THINGS TO CONSIDER

Travel to the centre is not included, but as mentioned above, Elac can organise a personal meeting service: someone to meet or drop the student at the airport. As an unaccompanied minor, we can provide details in advance of who is collecting the student and will ensure they are taken to the desk on departure.
