

Discover Media

Students will learn about the technical side of media creation as well as exploring its creative possibilities.

Features:

- 21 hours of lesson time
- Small groups (max 10 per class)
- Classes led by media centre graduates and staff
- Pre-course welcome and information pack
- Range of media projects to suit all participants
- End of course certificate from Bath Spa University

The course may appeal to students who are thinking of a career in media studies and will provide a really useful insight for them to test their interest and skills. It may equally be of interest to students who are looking for something a little different in their summer course.
