EASTBOURNE COLLEGE CENTRE GUIDE 2024

Eastbourne is renowned for being one of the most attractive seaside towns in the whole of England. Located at the foot of the South Downs National Park, Eastbourne enjoys more sunshine hours than anywhere else in Britain. Indeed, as you enter Eastbourne you will be greeted by the sign “Welcome to Eastbourne, the Sunshine Coast”.

Eastbourne plays host to a wide variety of visitors during the summer months. As a centre for EFL it is quite superb with many things for young people to do and see. There are great sports facilities, a wonderful seafront and excellent leisure attractions. The town recognises the value of overseas students to its economy and as a result ensures that the necessary infrastructure is in place to support them during their stay. This makes Eastbourne one of the best centres for EFL throughout the whole of Britain, both in the summer and at other times of the year.

Some of the main attractions that you can find in Eastbourne are:

- A recently modernised shopping centre and local small shops
- First class sports and leisure facilities, including lively discos and three theatres.
- An extensive leisure marina with its own waterside walks, shops and restaurants
- Modern cinemas with the most recent films
- One of the finest seafront promenades in the whole of England
- National Parklands (The South Downs) within 1 km of the town and including the famous Beachy Head cliffs
- Half-hourly direct train service to central London (90 minutes)
- The historic town of Brighton (40 minutes)

ELAC STUDY VACATIONS

Elac Study Vacations was formed in 1991 with one centre in Eastbourne. We now have multiple summer centres and one year round-centre in Bath, which is also our head office.

We currently welcome over 4,000 students from all over the world to our courses. Despite this growth, we still retain the values and ethos that characterized Elac from the beginning: to run quality courses that are attractive to staff, students and partners and where the welfare of all is our main priority.

More information on Elac can be found on our website, www.elac.co.uk.

MISSION STATEMENT

Our goal is to be an independent, ethical and environmentally-aware organisation dedicated to the teaching of English, and more generally to the nurturing of positive values in young people in an international setting.

To achieve this goal, we aim to provide a secure, welcoming, inclusive and fun environment where students can feel at ease with each other and our staff, whilst on a course which they find both stimulating and challenging.

We believe that this will provide the platform we need to deliver the following outcomes for our students:

- A development of their language skills & confidence
- A deepening of their knowledge & understanding of British life & culture
- A broadening of their outlook on the world & awareness of other perspectives
- New, wide-ranging & long-lasting friendships that cross cultures

Accommodation blocks on campus

EASTBOURNE COLLEGE LOCATION

The College campus enjoys a great location right in the heart of Eastbourne. It is literally two minutes' walk from the beach and eight minutes' walk from the shopping centre and railway station.

While outwardly retaining the charm and style of a traditional English Independent school, inside Eastbourne College offers excellent educational facilities. Classrooms are spacious and well equipped, and the recently modernised dining hall offers varied menus and a spacious eating environment. Sports facilities include a large playing field, tennis courts, as well as hard courts and astro-turf for football, hockey, volleyball and a variety of other activities. A beautiful new swimming pool and indoor sports hall was completed in 2018.

WELLBEING AND MEDICAL CARE

The physical and mental health of our students and staff is a priority and we encourage students to talk to us if they are experiencing any problems. We keep a record of all student's medical conditions and requirements, so all staff are aware of specific conditions, e.g. food allergies.

If a student becomes unwell, we will arrange to take them to a local GP. Eastbourne and District General Hospital has an A and E department as well as general wards. Local pharmacies can also help with minor ailments.

A First Aid box is kept in the Elac office and basic kits are taken on all excursions. The ELAC team have numerous First Aiders. They will be available throughout the day. Any injuries/accidents should always be reported to the Elac Office.

SAFEGUARDING/ WELFARE

All our staff are employed using safer recruitment methods and receive training regarding student welfare and child protection and are aware of the Elac safeguarding policy. If they notice a student is experiencing any problems, they will liaise with the Welfare Officer and Group Leader, who can then investigate and take the appropriate action. This is referred to head office and the Designated Safeguarding Lead if necessary.

We also have a legal duty to identify and safeguard children who may be vulnerable to radicalization (the Prevent duty).

We maintain a good supervision ratio of staff to students, both during activities on-site and educational excursions off-site.

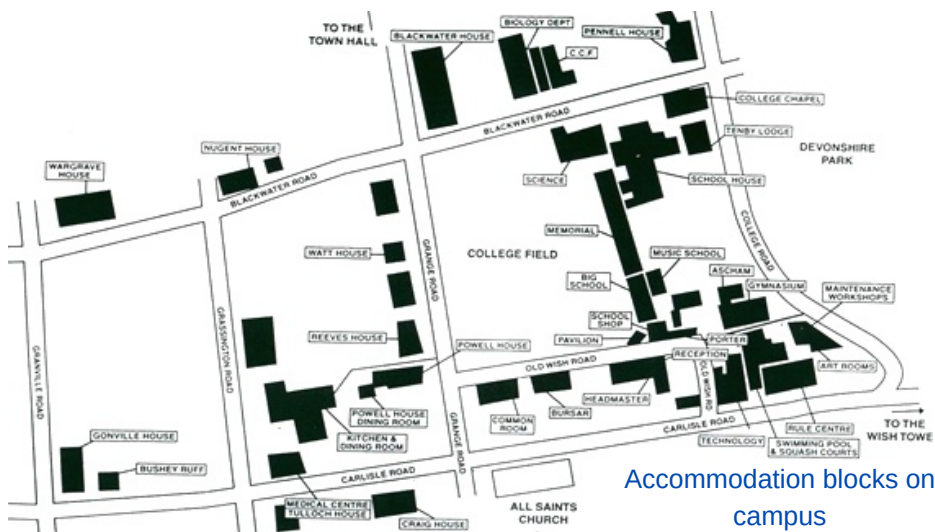

All Elac staff, group leaders and students sign a code of conduct which indicates the kind of behaviour we wish to promote. It clearly sets out the process for dealing with unacceptable behaviour. Information can be downloaded from the following link -

<http://elac.co.uk/downloadable-information/>

There are three roll calls daily: at the start of lessons, at the start of activities, and in the accommodation in the evening.

Curfew times are communicated and we expect students and group leaders to respect these.

RESIDENTIAL ACCOMMODATION

Accommodation is in ten houses located throughout the campus. All are close together and none are more than a few minutes' walk from all facilities. The plan above gives you an introduction to this layout.

Please note that the main classroom block is in the "Memorial" building, and the Elac office will also be located in this building overlooking the college field.

The houses are similar in terms of facilities but varied in terms of design and architecture. Rooms vary between the houses but there are singles, twins, and some triples. Bed linen is changed weekly. Some rooms have disabled access.

Please note that the roads around are relatively quiet as the college is located in one of the most select areas of Eastbourne. Nevertheless, they are public roads so students must exercise normal caution when crossing.

HOMESTAY ACCOMMODATION

Elac hosts are chosen with great care by our Homestay co-ordinators, who visit every host to get to know them and to inspect the accommodation provided.

It is essential that all our hosts provide a warm welcoming atmosphere for our students where they can really feel at home. Homestay providers also have to comply with British Council standards, and have a current DBS Certificate (Disclosure and Barring Service).

Students can expect a comfortable bedroom with somewhere to study and shared bathroom facilities.

Breakfast and an evening meal are served daily, and a packed lunch is provided for excursions. They will often be sharing with other students and will travel by bus to the College.

Most importantly, students are encouraged to speak English at every opportunity within the family setting.

SECURITY

The UK is seen as a safe place to visit and Eastbourne is a safe location. There is a security team on site 24/7 and CCTV monitoring. The Elac Office has a safe available for Group Leaders and students. Each house has its own security code on the front door lock. These codes will be issued on arrival. Bedroom keys are issued to leaders only. Students must lock all windows on leaving their accommodation and follow security procedures explained on arrival.

THE ELAC EXPERIENCE

We aim to deliver a rich and varied experience: a blend of language learning, cultural highlights, personal development and fun. Each centre has its own particular style, but there are common features and a shared ethos across all our centres.

The combination of lessons and projects, activities, social events and educational excursions makes up the Elac Experience, led by a committed team of staff, many of whom have chosen to work for Elac summer after summer.

TWO WEEK INCLUDED EDUCATIONAL EXCURSIONS

These are a very popular part of our course, and give students an opportunity to use their English as well as learn more about Great Britain. Students have the opportunity to learn more about the trip during lessons. Students travel by coach or train to these destinations. Activity leaders will brief students to follow certain rules for their own safety. On our return, a late dinner will be served. On a two week programme students will go to London twice.

LONDON FULL DAY (FIRST VISIT)

Our excursion to London begins with a walking tour of the city – the best way to see all the world-famous landmarks. These include Buckingham Palace, The Houses of Parliament, Westminster Abbey, Trafalgar Square and much more. At the end of the sightseeing tour, you will have some free time in Oxford Street (or another location your group has chosen) to shop and buy souvenirs.

If you want to do something different with your afternoon, here are some alternative activities we can help you arrange:

Natural History Museum
Science Museum
Covent Garden
British Museum
Shakespeare's Globe
Tower of London*

National Gallery
Camden Market
London Eye*
London Aquarium*
The Shard*
London Dungeons*

*These venues have entrance fees so there will be an additional cost: please talk to the activity manager if you want more details.

LONDON FULL DAY (SECOND VISIT)

In a city like London, there is always something fun to do. On the second trip students will have the chance to visit London's wonderful museums (Madame Tussauds, London Dungeons, Science Museum), markets, art galleries or parks.

There will also be opportunities to explore a new part of London, such as Covent Garden, Kings Cross, Greenwich, London Zoo, Hampton Court or Notting Hill.

BRIGHTON FULL-DAY

Brighton Pavilion

Brighton is a famous seaside resort city in East Sussex. It has many attractions, including an extensive beach and seafront, the pier, and excellent shopping around 'the Laines'. It is also home to the famous Royal Brighton Pavilion.

We travel there by train and the itinerary involves a walking tour of the main attractions then a visit to the Royal Pavilion. There will also be some free time to spend relaxing or playing games on the beach, or shopping.

OPTIONAL EDUCATIONAL EXCURSIONS

As well as included educational excursions, there are also opportunities to go on optional excursions. In a two week programme there is one optional visit day, and in a three week programme there are two. Popular optional excursions include:

- Oxford
- Thorpe Park
- Leeds Castle & Canterbury
- Arundel Castle

Oxford

Canterbury Cathedral

THREE WEEK INCLUDED EDUCATIONAL EXCURSIONS

CANTERBURY - FULL DAY

Canterbury, England's most famous cathedral city of Geoffrey Chaucer's Canterbury Tales and now a UNESCO world heritage site sits on the River Stour in one of the most attractive corners of rural Kent.

Today Canterbury still welcomes visitors from all four corners of the globe and has, with its many ancient buildings, shops, bars and restaurants, retained both an old world charm and a cosmopolitan vitality.

The small and compact city centre is closed to traffic during the daytime to enable the narrow streets and the many attractions to be more easily and safely accessed by groups.

HASTINGS - HALF DAY

Hastings is a seaside town on the south coast of England, 17 miles east of Eastbourne. The town gives its name to the Battle of Hastings, which took place 8 miles to the north-west at Senlac Hill in 1066.

Hastings is a popular seaside resort that has a new town and old town. Today, Hastings is a fishing port with the UK's largest beach-based fishing fleet.

The tour of Hastings takes you through Old Town, passing by the seaside attractions and arcades. Along the route you will see the old ruins of the castle and you have the opportunity to visit the Smuggler's caves where you can take a journey back in time to uncover the deep and dark secrets of the smugglers.

GROUP LEADERS

Working closely with Group Leaders is essential, as they know their students, their culture and their language. This happens through regular meetings when information is shared and issues can be raised.

Prior to the Welcome Meeting on the first day of the course, where the Elac Management Team share information with Group Leaders regarding all aspects of the course. Group Leaders will be given a Welcome Pack complete with information for helping both students and Group Leaders settle into the programme.

We also want Group Leaders to enjoy their time with Elac and have an opportunity to meet other leaders. Events are organized, such as visits to places of local interest, teacher development sessions, cream teas, or a cheese and wine evening.

Elac has a dedicated office and its location will be given out when students arrive. There is also a Group Leaders room on-site where Group Leaders can relax and have access to tea and coffee.

SECURITY

The UK is seen as a safe place to visit and Eastbourne is a safe location. However, we advise students to lock all windows and doors on leaving their accommodation building and follow security procedures explained by their Group Leader on arrival.

ADVICE FOR A HAPPY STAY WITH A HOST

Your host is looking forward to your visit, and wants to give you an enjoyable experience. Here are some useful things to remember, that will help you have an enjoyable stay as well.

Every home has its own rules and some of your host's rules may be different to yours. If you don't understand anything, please ask! Your host will be happy to explain anything to you. It may be the practice in the home for the children to help out with jobs, like clearing the table. It is good if you can take part in this way too; however, if you have concerns over what you are being asked to do, then don't be afraid to speak with your Group Leader or the Centre Manager.

You may feel homesick. This is normal. If you do feel homesick or anxious, talk to your host or your Group Leader. If you are feeling ill, let your host know. They can arrange for you to visit a local doctor, or to stay at home for a while.

Please treat your host with respect, showing politeness and letting them know what your plans are, eg. if you are going to be late back one evening and don't require a meal. It is a good idea to exchange mobile telephone numbers, and remember to keep it charged! If you do come back late, please remember to be quiet as some family members may be asleep. Please keep to your curfew times.

At mealtimes, you will be expected to try different food. This is part of the experience of staying with a host. If there is anything you cannot eat, or if you would like some more food, please explain this to the host.

Please look after your valuables and don't leave money around – it is best to give them to the Group Leader to look after, rather than leave them in your room.

It is important to remember that all hosts and their homes are different. Some have bigger houses than others. Some have tidier homes. Some have modern furniture and technology and others have more basic homes. However, they are all kind, friendly and hospitable hosts who will aim to make you feel welcome.

Please spend as much time with them as you can. Be proactive and ask them questions! Get to know them! You will learn English customs and your English will improve! Hopefully you will make some very good English friends too.

HOMESTAY FACILITIES

When using the bathroom, remember that other people will also want to use it, so don't waste hot water, and don't flush anything unsuitable down the toilet.

Try to keep your room tidy: put litter in the bin, make your bed, put your clothes away. Please don't eat food in the bedroom, smoke, or light candles. Be careful with nail varnish, nail glue and hair dye, and don't leave hair straighteners on, or rest them on furniture. Also, don't jump on the beds! Treat it like your own.

Your host will do your laundry for you once a week, so ask them when this will happen, and where to put your clothes.

Some hosts will give you a key. It is very important that you look after this, and remember to return it at the end of your stay. Also, please check you have all your belongings with you when you leave.

Please also treat your host's property with respect, and let them know if something gets damaged. You may be asked to pay for any repairs or replacements. Remember to ask permission to use the telephone, computer, etc. Also ask permission before you video or photograph the house to send to parents.

INDIVIDUAL STUDENTS

Individual students receive a warm welcome at all of our centres. This is a great way for them to really immerse themselves in the English language and make new friends. Students who travel independently often require a certain level of maturity, so the age range is slightly different to the group age: 14 is the minimum age we can accept. The maximum age is 17.

Individual students have a designated staff member to ensure their stay is a success. They will meet with them regularly to ensure they have all the information they need about the programme, activities and excursions, and to offer them support if they experience any issues.

ENROLMENT PROCESS FOR INDIVIDUALS

When an enquiry is received, our head office will check availability and offer advice as to the best course for the individual student. This may depend on the student's age, interests and nationality. We can also organise visa invitation letters if necessary and suggest different travel options.

The next stage is that the student (or their parent) receives an enrolment form, where we request parent's details, level of English, confirm dates etc. This form contains terms and conditions explaining when and how to pay.

ONCE ENROLLED

The student will receive confirmation and also further information on the course, plus Elac's code of conduct and advice on staying with a host (if necessary).

Two weeks before the course begins, the full amount for the course is paid. At this stage, we will double-check we have a student's travel details, mobile phone details, and organise a personal meeting service if required.

The student also receives a letter of authorisation enabling them to travel as a minor abroad. If staying with a host, they will also receive a host profile and information for their first day on the course.

THINGS TO CONSIDER

Travel to the centre is not included, but as mentioned above, Elac can organise a personal meeting service: someone to meet or drop the student at the airport. As an unaccompanied minor, we can provide details in advance of who is collecting the student and will ensure they are taken to the desk on departure.
