ROYAL AGRICULTURAL UNIVERSITY, CIRENCESTER

Cirencester, known as the Capital of the Cotswolds, is a lovely market town with a fascinating history. In Roman times it was the second largest town in Great Britain after London. It became a very prosperous wool town in the medieval period, which is the basis for the picturesque narrow streets and honey coloured stone buildings you can see today. With a central Market Place, a cathedral-like Parish Church of St. John Baptist, a Roman amphitheatre and lovely green spaces, there is much to enjoy in this charming town.

The Corinium Museum (Cirencester was known as Corinium in Roman times). It has one of the largest collections of Romano-British antiquities and stunning mosaics. The town also boasts two swimming pools, a wonderful range of eateries and plenty of shops and markets.

Some of the main attractions in Cirencester are:

- Historic narrow streets and courtyards to explore, including the stunning cathedral-like Church of St John Baptist
- The family-friendly Corinium Museum
- A range of quality independent shops
- International eating establishments
- Cirencester Park - Earl Bathurst's 3,000 acre estate
- Two indoor swimming pools and an outdoor heated pool
- Near to Westonbirt, The National Arboretum - Home to 2,500 different species from the far corners of the globe and 5 national tree collections

WHO ARE WE?

Elac Study Vacations was formed in 1991 with one centre in Eastbourne. We now have multiple summer centres and one year round-centre in Bath, which is also our head office.

We currently welcome over 4,000 students from all over the world to our courses. Despite this growth, we still retain the values and ethos that characterized Elac from the beginning: to run quality courses that are attractive to staff, students and partners and where the welfare of all is our main priority.

More information on Elac can be found on our website, www.elac.co.uk.

MISSION STATEMENT

Our goal is to be an independent, ethical and environmentally-aware organisation dedicated to the teaching of English, and more generally to the nurturing of positive values in young people in an international setting.

To achieve this goal, we aim to provide a secure, welcoming, inclusive and fun environment where students can feel at ease with each other and our staff, whilst on a course which they find both stimulating and challenging.

We believe that this will provide the platform we need to deliver the following outcomes for our students:

- A development of their language skills & confidence
- A deepening of their knowledge & understanding of British life & culture
- A broadening of their outlook on the world & awareness of other perspectives
- New, wide-ranging & long-lasting friendships that cross cultures

RAU LOCATION

The University campus enjoys a great location on the outskirts of Cirencester. It is 20 minute walk from the town centre.

RAU may be the smallest university in the UK, but its grounds, buildings and facilities are excellent. Classrooms are spacious and well equipped, and the recently traditional dining hall offers varied menus and a spacious eating environment. Sports facilities include a large playing field for football, volleyball and hockey, tennis courts and indoor areas for table tennis and team games.

Cirencester has two indoor pools and one outdoor heated pool.

WELLBEING AND MEDICAL CARE

The physical and mental health of our students and staff is a priority and we encourage students to talk to us if they are experiencing any problems. We keep a record of all student's medical conditions and requirements, so all staff are aware of specific conditions, e.g. food allergies.

If a student becomes unwell, we will arrange to take them to the local hospital, 10 minutes' drive from the hospital, or to the walk-in centre at Cheltenham. There is a pharmacy in Cirencester for minor medical queries.

A First Aid box is kept in the Elac office and basic kits are taken on all excursions. The ELAC team have numerous First Aiders. They will be available throughout the day. Any injuries/accidents should always be reported to the Elac Office.

SAFEGUARDING/ WELFARE

All our staff are employed using safer recruitment methods and receive training regarding student welfare and child protection and are aware of the Elac safeguarding policy. If they notice a student is experiencing any problems, they will liaise with the Welfare Officer and Group Leader, who can then investigate and take the appropriate action. This is referred to head office and the Designated Safeguarding Lead if necessary.

We also have a legal duty to identify and safeguard children who may be vulnerable to radicalization (the Prevent duty).

We maintain a good supervision ratio of staff to students, both during activities on-site and educational excursions off-site.

All Elac staff, group leaders and students sign a code of conduct which indicates the kind of behaviour we wish to promote. It clearly sets out the process for dealing with unacceptable behaviour. Information can be downloaded from the following link -

<http://elac.co.uk/downloadable-information/>

There are three roll calls daily: at the start of lessons, at the start of activities, and in the accommodation in the evening.

Curfew times are communicated and we expect students and group leaders to respect these.

RAU SITE PLAN AND ACCOMMODATION

Accommodation is in different halls of residence close to the classrooms and main facilities. Rooms are twin - some are ensuite and some have shared bathroom facilities. Rooms have their own sink. Bed linen is changed weekly and towels are provided. Some rooms have disabled access.

THE ELAC EXPERIENCE

We aim to deliver a rich and varied experience: a blend of language learning, cultural highlights, personal development and fun. Each centre has its own particular style, but there are common features and a shared ethos across all our centres.

The combination of lessons and projects, activities, social events and educational excursions makes up the Elac Experience, led by a committed team of staff, many of whom have chosen to work for Elac summer after summer.

All students on our two or three-week Summer programmes, **Explorers (7 - 11)**, **Voyagers (11-14)** and **Trailblazers (14-17)**, will experience their own unique Elac journeys. Here are some aspects of our programmes which are the same for everyone.
