

Background to Elac Study Vacations

Elac was set up in 1991 in Eastbourne and has grown consistently over recent years. The head office moved to Bath in 2006. In 2025 we will be running 7 residential centres, 2 of which include homestay, welcoming students from around the world between the beginning of July and the middle of August. We also have 2 Study Centres, 1 in Milsom Street, Bath, and the other in Beresford House, Eastbourne, where we offer short stay courses all year round.
